Happening

When relaxation reaches
your bathroom

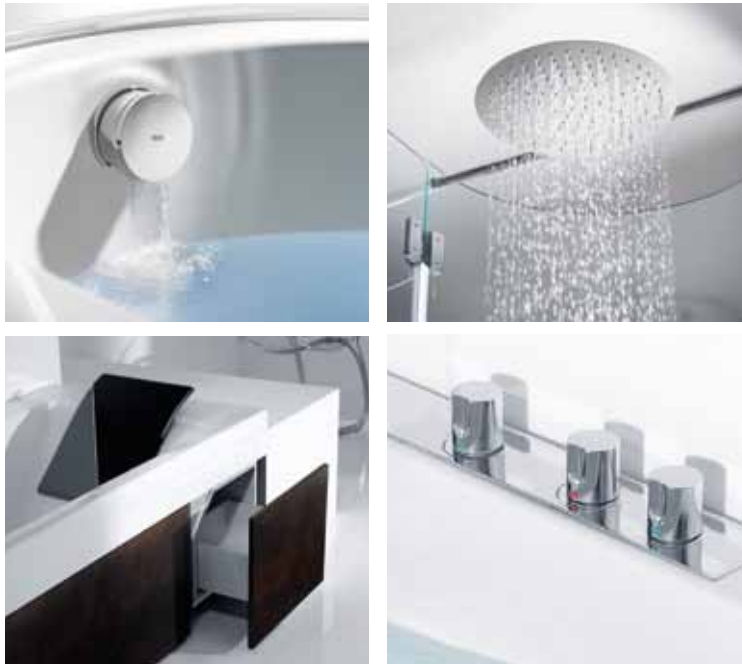

Roca presents the new Happening space, a complete solution for your bath/shower space that perfectly integrates all the elements needed for your relax. The new Happening space combines a comfortable bathtub featuring the Relax system and all the parts of a shower space: screen, faucets and sprinkler. A different, unique space for the most demanding users.

The **Happening bath** is equipped with an ergonomic headrest to provide greater comfort and wellbeing during your bath. It also features a Wenge wood side panel with a practical wide drawer.

The **shower screen** is integrated with the bath, with a curved part and a door to provide easy access to the bath. Additionally, the glass is treated with **Maxiclean**, to make easier to clean.

The **thermostatic faucets** fits perfectly with the space.

An integrated **high-flow sprinkler** ensures a gentle rain of water to provide a pleasant feeling of wellness.

The **overflow with integrated spout outlet** adapts the minimalist design without losing any functionality.

The relax system combines a number of elements: air, fragrances, steam and colours to relax body & mind and to disconnect from routine.

Blow: An air massage through micro-holes, making the bath a comfortable and relaxing experience.

Chromotherapy: Colour therapy that combines seven colours thanks to three LEDs integrated in the side of the bath.

Cold steam: Cold steam with a gentle fragrance that flows above the water to enhance your relaxation. Use the Wellness Rituals Essences for a completely immersing experience.

Control Panel: The panel with LCD screen on the side of the bath that controls all the Relax system's functions.
