

## Superslim STONEX® shower tray

Antislip type: Integrated  
 Depth: Ultraflat (less than 45 mm)  
 Drain included  
 Installation type: Built-in / Niche  
 Material: STONEX®  
 Shape: Rectangular

In a clear commitment to design and with the relief of stone as a hallmark, these custom-made shower trays offer the possibility of covering the large side drain with a stainless steel grid or with a cover manufactured in STONEX®, in the same finish as the shower tray.
